

# Get Going

# Activities

(Stage 1 – first and second day of absence due to self-isolating or waiting for a test result.

For day 3 of absence see Stage 2 – Please refer to See Saw).

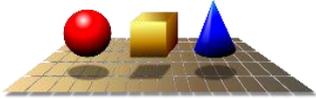

**For all website links make sure you have an adult's permission and are supervised online**

## Year 2

We are sorry you are not able to be in school today. We will miss you but here are some activities to get you going. We hope to see you back soon.

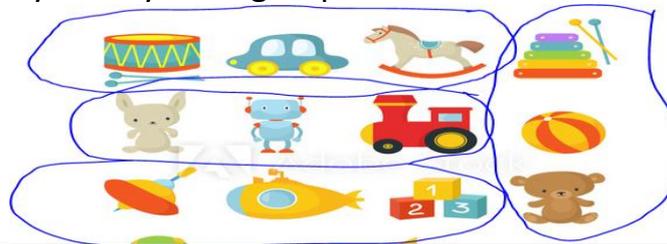

From Mrs Deane, Mrs Sanghavi and Mrs Trendall.

### Maths

Day 1: Please practise place value (tens and ones). Maybe you could use sticks and stones as your tens and ones. Write the number you have made (*so a stick is worth 10 and a stone is worth 1*). So, two sticks and three stones would make 23. Maybe even make more numbers and compare them (*greater than/ less than/ equal to*).

Day 2: Practise counting in 2s, 5s, 10s and 3s. Can you remember the patterns? Put your toys into groups of that amount.

### Reading

Read for at least 20 minutes a day. This can be a school book or a comic/ home book. Record your reading in your record.

### English

Draw a famous London landmark, could you write a describing sentence about it?

#### **Example**

*The Shard is very tall and shiny.*

Now, think about the Queen's crown jewels. Draw a crown or even make one of your own. Then write 3-4 sentences to describe it.

#### **Example**

*My crown has sparkling green emeralds on the front of it.*

### Times Table Rockstars

Go onto Numbots or Times Table Rock Stars (TTRS) for 20 minutes a day.

### Spelling/ Phonics

Visit the BBC Bitesize website and complete one sound per day.  
<https://www.bbc.co.uk/bitesize/topics/zvq9bdm>

When you have finished watching, go on a hunt for that sound. Can you find the sound hiding somewhere in your house, like in a book or in a recipe or on a cereal packet?

You could also catch up with *Geraldine Giraffe* and see what sounds she has been learning.

[https://www.youtube.com/channel/UC7sW4j8p7k9D\\_qRRMUsGqyw](https://www.youtube.com/channel/UC7sW4j8p7k9D_qRRMUsGqyw)

Topic

What sort of materials do you have at home? Could you describe them? Why are they suitable?

**Example:**

*A brick is hard and rigid.*

*Bricks are good for making houses because they are strong and waterproof.*

wood	waterproof	stone	plastic	absorbent	brick	metal
glass	leather	hard	soft	transparent	wool	brittle
	rigid	fabric	bendy	rubber	magnetic	

P.E.

Keep up with 30 minutes of daily exercise to keep you active. Could you run the daily mile around your garden if you have one or do some yoga with Cosmic Kids?
