

# Key Stage 1

**Week beginning: 20.4.20**

## English Extravaganza!

### **Miss Moreton-Ford's Reading Challenge:**

Draw a new cover for the last book you read. Remember to write the title and author.  
Make it colourful!

### **Miss Moreton-Ford's Writing Challenge:**

Think of five characters. Pick one at random. Write a story based on the character.

You can use this wheel to help you choose: [Random Character Wheel Spinner](#)

<https://tools-unite.com/tools/random-picker-wheel?names=Little%20Red%20Ridin,Robot,Purple%20dog,Talking%20carrot,Boy>

### **Miss Hawton's Grammar Challenge:** An **adjective** describes a noun.

Find your list of nouns from last time. Add at least one **adjective** before each noun.

Can you use three adjectives and commas to separate them?

Find out more about adjectives here:

<https://www.bbc.co.uk/bitesize/topics/zrqqtftr/articles/zy2r6yc>

### **Infant Phonics Fun**

Go to the PhonicsPlay website <https://new.phonicsplay.co.uk/> and play a game.

Username: march20 Password: home

Year 1 - Phase 3, 4, and 5 - lots of games to choose from!

Year 2 - Phase 6 - Pond Life Plurals or Planetary Plurals (plurals = more than one)

## Mrs Wheelhouse's Maths Challenge!

Design and draw a model you could make with 3D recycling materials. Make a list of shapes you may use and begin collecting especially during Easter when the Easter Bunny may leave some interesting boxes.

## Mrs Lampitt & Mrs Sykes Science Investigators

It's a hot topic right now - washing your hands!

Here is a fun experiment to see why it is so important to use soap to wash your hands.

Have fun!

<https://www.twinkl.co.uk/resource/handwashing-soap-experiment-ks1-t-tp-2549329>

[www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) Code: UKTWINKLHELPS

Here is a link to some teaching facts if you would like to investigate further.

<https://www.twinkl.co.uk/resource/roi2-s-70-spectacular-soap-experiment-activity-pack>

### Ms Weller's Marvellous Musical Activities

The Young Person's Guide to the Orchestra by Benjamin Britten

<https://www.youtube.com/watch?v=4vbyhU22uAM>

Listen to/Watch this piece of music. Can you name the instruments that you see?

Design a poster about this piece of music including pictures of the different instruments that you heard.

Remember to include the title of the music and the composer.

### Mrs Rea's Geography challenge

Hide a piece of treasure (teddy bear, chocolate, toy, etc) somewhere in the house or garden. Now create a treasure map with an 'X' to mark the spot.

Can someone else in your house use the map to find the treasure?

### Mrs Deane's Horrible History Challenge

It is the Queen's birthday this week!

Find out how old she is. How many other facts can you find out about the Queen?

Have a look on this website to help you:

<https://www.natgeokids.com/uk/discover/history/monarchy/facts-about-the-queen-elizabeth-ii/>

If you would like to see Queen Elizabeth II becoming Queen and receiving her royal crown, look at this video of her coronation in 1953

<https://www.youtube.com/watch?v=LEDp34MRI20>

Why is it in black and white?

**Extension:** - make a crown fit for a king or queen from things you have at home

-make a birthday card for the Queen

- create a tune or song for a king or queen on their coronation day

### Mrs Sumner's PSHE challenge!

Choose a family member to draw and describe. Label your picture with adjectives.

### Mrs Watson's RE challenge!

Talk to your family about the days of the week. Which days are most special to you, and why? Do you have a special day for resting or spending time with your family? Maybe you could make a days of the week wheel, showing what you like to do on each day!

### Miss Lawes and Miss Lee's Art Attack!

Visit 'The Sculpture Park' at <https://www.thesculpturepark.com/>

Which sculpture is your favourite?

Recreate your chosen sculpture in a way of your choice.

You could use junk modelling, sketching, clay, playdough... anything you have at home!

### Additional Learning Opportunities

Calm zone

<https://www.childline.org.uk/toolbox/calm-zone/>

# Key Stage 2

**Week beginning: 20.4.20**

## English Extravaganza!

### **Miss Moreton-Ford's Reading Challenge:**

Design a new book sleeve (cover) for the last book you read. Don't forget the title, the author and a blurb on the back. How will you make sure people really want to read the book?

### **Miss Moreton-Ford's Writing Challenge:**

Think of five characters and five settings. Pick a character and a setting at random.

Write a story with that character and that setting.

You can use these wheels to help you choose:

#### Random Character Wheel Spinner

<https://tools-unite.com/tools/random-picker-wheel?names=Gangster%20Granny,Astronaut,Rainbow%20striped%20Mrs%20Dancer,Harry%20Potter>

#### Random Setting Wheel Spinner

<https://tools-unite.com/tools/random-picker-wheel?names=fairytales%20castle,desert%20island,theme%20park,Mount%20Everest,Mars>

### **Miss Hawton's Spelling Challenge:**

Pick 3-5 words from the spelling list:

<https://www.hollylodgeprimary.co.uk/assets/Uploads/ks2-statutory-word-lists.pdf>

Write each word 5 times, switching the hand you write it with each time. Say the word as you spell it.

### **Miss Hawton's Grammar Challenge:** An **adjective** describes a noun.

Find your list of nouns from last week. Add one, two or three **adjective** before each noun. Can you write a short story which includes all of your expanded noun phrases?

Find out more about adjectives here:

<https://www.bbc.co.uk/bitesize/topics/zrqqtf/articles/zy2r6yc>

Find out about expanded noun phrases here:

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z3nfw6f>

## Miss Midworth's Maths Challenge

Investigate the capacity of different containers around your home. Estimate how much water they will hold in millilitres and then measure using a measuring jug or a teaspoon (1 teaspoon = 5 millilitres).

Ask an adult first - it might be best to do this outside.

Are you surprised by any of your results?

You could also try some of the volume and capacity activities from here:

[https://nrich.maths.org/public/topic.php?group\\_id=15&code=150](https://nrich.maths.org/public/topic.php?group_id=15&code=150)

Remember to keep practising those times tables on Times Table Rockstars or number bonds on Numbots (same login details)!

### Mrs Lampitt & Mrs Sykes Science Investigators

It's a hot topic right now - washing your hands!

Here is a fun experiment to see why it is so important to use soap to wash your hands.

Have fun!

<https://www.twinkl.co.uk/resource/hand-washing-soap-experiment-ks2-t-tp-2549330>

[www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) Code: UKTWINKLHELPS

Here is a link to some teaching facts if you would like to investigate further.

<https://www.twinkl.co.uk/resource/roi2-s-70-spectacular-soap-experiment-activity-pack>

Now write a few sentences to explain what happened in your little experiment.

Why do you think this happened?

Does it work with other products you might have in the kitchen (check with adults first)?

### Ms Weller's Marvellous Musical Activities

The Young Person's Guide to the Orchestra by Benjamin Britten

<https://www.youtube.com/watch?v=4vvhU22uAM>

Listen to/Watch this piece of music. Can you name the instruments that you see?

Instruments are grouped into families. Find out more about each family of instruments from the orchestra.

If you could play an instrument of the orchestra, which would you like to play?

Create a poster about your 'favourite' orchestral instrument.

Include pictures and/or drawings and facts.

### Mr Drew's Geography challenge

Hide a piece of treasure (teddy bear, chocolate, toy, etc) somewhere in the house or garden. Now, create a treasure map which includes clues such as riddles, coordinates and compass directions for someone else in the house to try and solve. - If you made the compass last time, you could use this to help (or to make it harder for the treasure seeker!)

Here are a few riddles to solve:

- Why can't a pirate ever finish the alphabet?
  - Where do you take a sick pirate?
  - Why couldn't the pirate play cards?

### Mr. Smith's Horrible History Challenge

Iron Age Hill Forts

Dorling Kindersley web site

<https://www.dkfindout.com/uk/history/iron-age/hill-forts/>

Look at the pictures and read the text

Draw a picture or build a model of an Iron Age Hill Fort

Use an Atlas, Google Maps or the internet to find the names of 5 hill forts in Britain

Make a timeline

Draw a horizontal line on a piece of paper.

Find the approximate date Stonehenge was built mark that as the start of your timeline now mark on the date for one of the hill forts you found.

Keep your timeline for next week.

### Mrs Sumner's PSHE challenge!

Choose a special family member to draw and describe. Label with adjectives and write some sentences to say why they are special to you.

### Mrs Watson's RE challenge!

Talk to someone in your family about what age you are old enough to get a pet/get married/drive a car/ride your bike to school etc. Can you make a timeline of your life so far, marking all the milestone moments when you became old enough to start nursery, start school, ride a bike etc? When do you think people are old enough to decide on their religion?

### Miss Lawes and Miss Lee's Art Attack!

Visit 'The Sculpture Park' at <https://www.thesculpturepark.com/>

Which sculpture is your favourite?

Recreate your chosen sculpture in a way of your choice.

You could use junk modelling, sketching, clay, playdough... anything you have at home!

### **ACTIVITIES FROM SURREY WILDLIFE TRUST**

The Wildlife Trusts have a fantastic website full of ideas for projects to help nature in our school grounds and gardens and learn more about our local wildlife and the habitats they live in. By getting outside, whether it be on a daily walk or out in our gardens, nature can improve everyone's mental health and wellbeing.

[Click here for wild activities and inspiration.](#)
