

Key Stage 1

It is really important to make the most of all learning opportunities during this strange time. To help you do this, the teachers expect KS1 children to do the following each day:

English - 15 minutes
Reading - 10 minutes
Spellings / Phonics - 15 minutes
Maths - 15 minutes
Teacher activities - 30 minutes
PE - 30 minutes

Week beginning: 27.4.20

Miss Moreton-Ford and Miss Hawton's English Extravaganza!

You **must** go to the BBC Bitesize website. You'll find some amazing lessons, split into different days, for each year group. Watch videos and complete the activities to help you learn more about punctuation, grammar, writing and reading.

Click the link to start: <https://www.bbc.co.uk/bitesize/dailylessons>

Remember you must keep practising your phonics

Go to the PhonicsPlay website <https://new.phonicsplay.co.uk/> and play a game. Username: march20 Password: home

Reading

Don't forget to keep reading and send a picture of you reading your favourite book to your teacher?

Mrs Wheelhouse's Maths Challenge!

Look at the website below for BBC Bitesize daily lessons for week 2 covering the concepts of addition and subtraction and complete the daily lessons

<https://www.bbc.co.uk/bitesize/dailylessons>

Mrs Lampitt & Mrs Sykes Science Investigators

This week and next, you need to find out about some of the creatures found in the oceans. You will be able to identify and describe the structure of a variety of ocean animals after completing some of these activities about ocean animals.

The slides and activities can be found on the school website for you to download and print if you'd like to.

There are lots of different activities for you to develop your understanding. You can take your learning as far as you'd like!

There are lots of videos about sea animals too but as always you must be supervised by an adult when watching videos on the internet and always check with the person looking after you before accessing videos on the internet.

Don't forget to send your teachers some of the learning you have done.

Ms Weller's Marvellous Musical Activities

Top of the Pops

Last week's BBC Bitesize music lesson was about using your voice to make music.

If it is still available, use the link to access your year group.

<https://www.bbc.co.uk/bitesize/dailylessons>

If it is not available, you don't need to watch it to try the following activity.

Choose your top 5 favourite songs and sing along to each one.

Prepare and put on a performance for your family and/or your stuffed friends.

You could include dance moves to go with the songs and different costume as well.

Have fun and be creative!

Mrs Rea's Geography Challenge

This week you are going to be finding out about the countries in the United Kingdom.

<https://www.bbc.co.uk/bitesize/topics/zyhp34j/articles/z4v3jlv>

Watch the video on this link to find out about the countries and their capital cities.

See if you can complete each quiz.

Draw a map of the UK (you can use an atlas to help you) or download a template map [here](#)

https://www.geography.org.uk/write/MediaUploads/download/451_GA_BaseMapUK.pdf

Label your map with the different countries and mark their capital cities.

Can you show any other features that were mentioned in the clip?

What are the names of the seas surrounding the UK?

Colour in your map carefully so that we can still see the labels.

Have you visited any of these countries?

Perhaps you could do some further research about one of the countries and make a fact file.

Mrs Deane's Horrible History Challenge

The biggest hospital in the country was built in just 9 days!

Mrs Deane wants you to watch this time lapse video of it being created.

<https://youtu.be/L8Dyf-wules>

It has been named *Nightingale Hospital*, after the famous nurse Florence Nightingale.

Find out about Florence Nightingale and fellow nurse Mary Seacole using the link below.

<https://www.bbc.co.uk/bitesize/topics/zns9nrd>

Your task: Mrs Deane wants you to create a pretend first aid kit.

Draw and label some pretend first aid things that you might need if you were poorly or hurt. Once you have made them, try and make a little bag for them to go into.

You could use paper/ card/ felt/ colouring pencils/ crayons/ paint or even sew your first aid things.

Mrs Sumner's PSHE challenge!

Our families are teams. Talk about everyone's role within the family. Can you make a list of jobs that family members do to help everyone work together?

Mrs Watson's RE challenge!

Watch this clip about the Jewish sabbath day, Shabbat.

<https://www.bbc.co.uk/bitesize/clips/zyxn34j>

Can you think of two activities that Jews cannot do during Shabbat and two activities that they are allowed to do and draw pictures of them? Talk to your family about what you often do on Saturdays and identify which of these activities Jewish children would be allowed to do.

Miss Lawes and Miss Lee's Art Attack!

Research a local famous artist. Can you find out at least three facts about them and their artwork? Once you have done that, have a go at recreating one of their pieces of art. You could use colouring pencils, paint, felt pens, coloured paper or any other resources you have at home!

Here are two artists if you would like to research one of them:

John Hurr <https://johnhurr.co.uk/>

Kev Munday <https://www.kevmunday.co.uk/>

Additional Learning Opportunities

Key Stage 2

It is really important to make the most of all learning opportunities during this strange time. To help you do this, the teachers expect KS2 children to do the following each day:

English - 20 minutes
Reading - 20 minutes
Spellings - 15 minutes
Maths - 20 minutes

Teacher activities - 30 minutes

PE - 30 minutes

Week beginning: 27.4.20

Miss Moreton-Ford and Miss Hawton's English Extravaganza!

You **must** go to the BBC Bitesize website where there are some amazing lessons, split into different days, for each year group. You will be able to watch videos and complete the activities to help you learn more about punctuation, grammar, writing and reading.

To get started, follow this link: <https://www.bbc.co.uk/bitesize/dailylessons>

Remember you must keep practicing your spellings every day too!

Here's an activity for you to try:

Pick 3-5 words from the spelling list:

<https://www.hollylodgeprimary.co.uk/assets/Uploads/ks2-statutory-word-lists.pdf>

Write your words using one colour for the vowels and another colour for the consonants. (vowels: a, e, i, o, u)

Reading

Remember to keep reading every day and send a book review to your teacher? They would love some new ideas of books to read.

Miss Midworth's Maths Challenge

Addition and subtraction

BBC Bitesize have produced some fantastic videos and activities to help you to learn more about adding and subtracting. There are activities for each year group split into different days so plenty to get you thinking!

Just follow the link here to get started:

<https://www.bbc.co.uk/bitesize/dailylessons>

We would love to see any mathematical thinking you come up with (email your teacher via the year...@hollylodge.kite.academy email address).

Can anyone solve the tricky challenges at the end of the week?

Remember to keep playing **Times Table Rockstars** and **Numbots** too! We are busy battling against the other Kite schools again - will we be **Top of the Rocks?**

Creep Cash (Miss Midworth)

Mrs Lampitt & Mrs Sykes Science Investigators

We're off to the oceans this week and next!

Look at these videos to learn about dolphins, whales & porpoises. There are some lovely videos for you to watch and learn about these amazing creatures, as well as some fun activities to complete afterwards.

This activity has a link to you-tube. Please ask permission to access YouTube from the person who looks after you. You must be supervised when on youtube.

Lesson 1: Introduction to whales, dolphins & porpoises can be viewed here:

https://youtu.be/2wM1E_zU-mQ

Lesson 2: How do whales, dolphins & porpoises feed? Can be viewed here:

<https://youtu.be/iGiZ98PtOqM>

Lesson 3: Voices of the deep can be viewed here: https://youtu.be/5PE4oD_UcDc

Lesson 4: Incredible Journeys Part 1 can be viewed here: <https://youtu.be/yeV5TIeTUc4>

Lesson 4 Incredible Journeys Part 2 can be viewed here: <https://youtu.be/Q-zIF8LH8d0>

There are 4 different lesson so you can learn even more if you'd like!

Don't forget to send your teachers pictures of your work.

There is a lot of learning here so don't feel you have to do it all this week, this work is for this week and next.

Ms Weller's Marvellous Musical Activities

Top of the Pops

Last week's BBC Bitesize music lesson was about using your voice to make music.

If it is still available, use the link to access your year group.

<https://www.bbc.co.uk/bitesize/dailylessons>

If it is not available, you don't need to watch it to try the following activity. Choose your most favourite songs (about 5 to 10 songs) and sing along to each one. Prepare and put on a performance for your family and/or your stuffed friends. Include some dance moves and change of costume to make it even more interesting.

Extension: Can you rewrite the lyrics to one of your favourite songs?

What could the lyrics be about?

Times tables, a favourite topic, your current situation, ...

You can be as creative as you like.

Mr Drew's Geography challenge

Find Your Birthday Coordinates

Use the month for latitude and day for longitude. For example, if your birthday is November 26, enter 11 as the latitude and 26 as the longitude. Then zoom out to see what country you are in. You can use the website below to help you find it (or google maps).

<https://www.doogal.co.uk/LatLong.php>

Then write about what it would be like to have a party there? Is it hot/cold? What traditions might you expect to see? What sort of food might be served? What kind of music and games might be played? Etc.

To find out more about Longitude and Latitude, watch this BBC bitesize clip:

<https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zd4rmfr>

Mr. Smith's Horrible History Challenge

Romans in Britain

For general information look at BBC Bitesize

<https://www.bbc.co.uk/bitesize/topics/z2fyedm>

Who was Julius Caesar?

Draw a picture of Julius Caesar -

Think about the clothes he would wear.

How would you know he is important?

Add any dates you find to your timeline.

<https://www.bbc.co.uk/bitesize/clips/zs2mhyc>

<https://www.youtube.com/watch?v=bh1bHPQhQOU>

Mrs Sumner's PSHE challenge!

Our families are teams. Talk about everyone's role within the family. Can you make a list of jobs that family members do to help everyone work together?
How do you help 'Team Family'?

Mrs Watson's RE challenge!

Watch these clips:

<https://www.bbc.co.uk/bitesize/clips/zdb9jxs>

<https://www.bbc.co.uk/bitesize/clips/zwkq6sg>

Talk to your family about how Jews show their commitment to God. Can you make a list?

Miss Lawes and Miss Lee's Art Attack!

Research a local famous artist. Can you find out at least five facts about them and their artwork, writing these in sentences? Once you have done that, have a go at recreating one of their pieces of art. You could use colouring pencils, paint, felt pens, coloured paper or any other resources you have at home!

Here are two artists if you would like to research one of them:

John Hurr <https://johnhurr.co.uk/>

Kev Munday <https://www.kevmunday.co.uk/>

ACTIVITIES FROM SURREY WILDLIFE TRUST

The Wildlife Trusts have a fantastic website full of ideas for projects to help nature in our school grounds and gardens and learn more about our local wildlife and the habitats they live in. By getting outside, whether it be on a daily walk or out in our gardens, nature can improve everyone's mental health and wellbeing.

[Click here for wild activities and inspiration.](#)
