A selection of parent comments from the Parent Survey October 2020

My daughter is very happy and likes members of staff from Mr Morgan to Mrs Dancer. Everybody. She loves learning, enjoys playing, challenges, 1 mile walks and meals too..... I would appreciate if we would be informed about what is their learning plan for a year.

We are very happy with Holly Lodge and would highly recommend this school

I have been VERY impressed with all aspects of teaching for my child. The teachers are a total credit to the school.
Thank to all the teaching staff for your dedication and hard work

My child has had the support both with learning and mental well being can't ask for more.

I am so happy we chose Holly Lodge, our child is thriving and the teachers are so supportive, they listen and do all they can to support. The office staff are just amazing too, always so friendly and helpful. They all go out of their way to help.

I think it would be useful to understand at the start of the year what children will be studying during the year so we can support at home. It would also be beneficial to have more detailed feedback to understand report scores etc

My daughter is very happy at Holly Lodge. I would also like to comment on the wrap-around childcare provision. As a working parent it's an absolute life-saver, and my daughter really enjoys attending.

Very happy with the communication and teacher during lockdown. The school have worked hard to keep the children/teachers/staff happy and safe.
