## Home Learning

Your next home learning project will be on our new topic, Lights, Camera and Action!

Your task is to:

- Learn all your lines off by heart
- Learn all the song lyrics, to the production songs, off by heart.
- To know which scenes you are in and know when to come on and off stage.
- To get your costume ready, in a labelled bag, ready to be brought in for **Thursday 5<sup>th</sup> March 2020**.

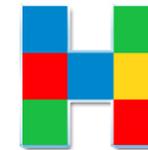

You may also like to watch the new Aladdin film (with your parent or carers permission) and get ideas about how your character personality and how they show emotions.

### Remember:

We expect you to read at least 5 times during the half term and also keep practising with Times Table Rockstars. We have set up a Tournament between classes. Which class come out on top?

Have a lovely half term!
